

Flag City Daylily Tour

Six unique daylily gardens in Findlay / Northwest Ohio

Tour six gardens, each with its own special personality.

Located just off I-75, Findlay offers numerous hotels and restaurants to fit all styles and tastes.

A. Sharon & Ron DeCooman – Rural farm features 900 registered cultivars, most for sale. Specializes in tall and large free form blooms. Many newer varieties by Davison, Gossard, Reed, Murphy, Holmes, and Bachman. Extensive hybridizing program has produced thousands of seedlings on display in open fields. AHS member.

Email: flower4645@aol.com

B. Mike & Denise Anders – 2000 registered cultivars on ½-acre city lot. Mostly large-flowering classic forms. Substantial collection of cultivars by Moldovan, Woodhall, and Valente. Also features numerous hostas and various pieces of garden art. AHS member.

D. Sue & Ed Karsnak—A casual city garden designed to bloom throughout the growing season by blending over 100 registered daylilies of various types amidst many perennials, annuals, grasses, and shrubs.

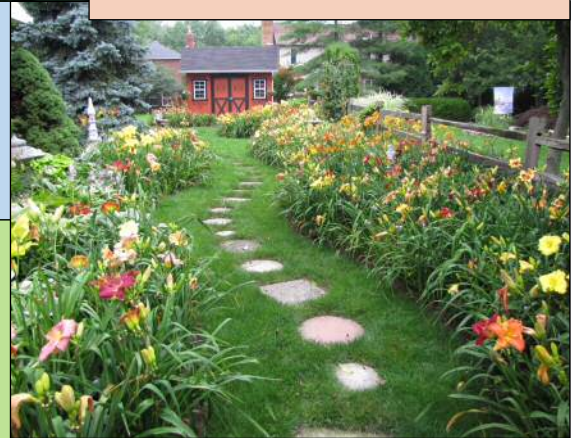

E. Rick & Barb Kidwell— Over 500 registered daylilies in numerous beds display a profusion of colors and shapes. Several beds of evaluation plants from amateur hybridizing provide additional character. AHS member.

Fri, July 7 10 - 6
Sat, July 8 10 - 6
Sun, July 9 Noon - 6

C. Perennial Plant Peddler (Ann & George Brickner) – Over 900 registered daylilies in AHS Display Garden. Large-flowering, unusual forms, spiders, minis, doubles, some with ruffles, patterns, and teeth. Most for sale. Extensive display gardens also include 200 hostas, 250 irises & over 1000 other perennials. Public restroom. AHS member.

F. McClelland's Daylilies (Keith & Becky McClelland) – 500+ cultivars, older and newer, for sale and planted in raised beds creating the visual impact of a sea of color across a one-acre garden that includes about 150 hostas. Emphasis on extra large spiders and doubles, very early through very late bloomers. Public restroom. AHS member. 419-326-5185
